AGM Update

Another year has gone and we are still painting! The minutes of the AGM are overleaf, but the main message is that we still need more members/funds so any ideas let us know.

Sandra’s Fun Workshop 15th March 2018

Part 1 will be a demonstration of acrylic pouring technique and explanation of various methods and materials needed for you to try this at home.

Part 2 will be a demonstration of wet on wet watercolour technique.

coffee break

Part 3 Your chance to have a go at wet on wet watercolour. We will all do the same picture in a set time. Reference for you to trace the basic drawing will be provided to save time and allow us to concentrate on the painting. You can then apply this technique to your own work as appropriate.

A workshop sheet will be available closer to the date for those interested.

Welcome by Sue

Alan provided financial breakdown resulting in a debit of £34.68 for the year. The club had success raising funds through raffles and our exhibition and would have been in profit however we had to pay for another five years for our website. Overall a good result.

It was agreed to allow new members to pay per week an increased fee of £3.00 as paying for the whole term was thought to be putting some new members off joining. This would be for the first term only to encourage budding artist to give us a go and save for the next term.

It was agreed to release a small amount of club funds for advertising the club. Sue Palmer to take this up.

The dates for next years Exhibition were agreed:

3rd June Private Viewing

4th - 9th June Public Exhibition

10th June Artwork Collection.

Members were reminded how important it is to turn up for stewarding duties or to let Sue, Gill or Sandra know if you are unable to attend. Also the importance of making sales entries legible and complete.

The competition title was voted upon and the majority voted for 'Enchanted Afternoon'.

A workshop was agreed for the 15th March to be run by Sandra Burnham entitled Sandra's Fun Workshop to cover acrylic pouring and watercolour wet on wet techniques. Details to follow closer to date.
